

Modbar Technical Bulletin #013

SSR and Power Supply Updates - All Modules
September 20, 2017

Modbar has replaced the solid state relay and the power supply in all Modules. This update was implemented starting with serial number 10001620. These parts are not retrofittable on older Modbar modules.

Part #

E-0126-01 SSR

E-0125-01 Power Supply
